

The Inside Rail

New greyhound? Remember 10 news

Have you purchased or acquired a new greyhound? As well as admiring your new furry friend, it is also important to make time to look at your eTrac account. eTrac is where you will find the ownership transfer that you need to accept. This needs to be done within **10 days** of it being submitted by the previous owner and it's as easy as 1, 2, 3.

	STEP ONE		STEP TWO		STEP THREE
	Click on Applications and Fines tab		Select Inbound Transfers		Accept any transfer notifications

Everyone plays a role

Making sure our young and vulnerable people enjoy greyhound racing in a strong, safe and supportive environment is a responsibility we all share. If you witness something which is a concern, let us know via our confidential reporting system.

 **SPEAK UP!** 

Generation next: Jasper Kempshall

How did you get involved with greyhound racing?
I got involved through Mum and Dad, they always used to bring me down to the kennels.

How does GWIC help you?
They support me a lot with what I want to do and show me how to do things. They always encourage me.

Why should you get involved in greyhound racing?
It's the funnest sport you can get into, it's just so fun with the dogs, they show you a lot of affection.

 **DID YOU KNOW ?** **Fortnight tracker**

When retiring your greyhounds you have 14 days from the date of retirement to submit a notification to the Commission. A notification is required for all retirements. You can find the notification form on the eTrac portal.

Code of Practice

Part 5: Housing and Environment

RELAXING AT HOME:

All enclosures used to keep greyhounds must provide at least enough space for each greyhound to feed, sleep, sit, stand, lie with limbs extended, stretch and move about.

From the Stewards' box

ARE YOU RACING WITH CONFIDENCE?

Have you experienced what it is to Race Well yet? Race Well is the free substance validator designed to enhance welfare outcomes for greyhounds and ensure fair competition. While Race Well is a great educational tool, it remains the responsibility of trainers to present their greyhounds prohibited substance free.
