Temperament Assessment Report (cont'd)

Temperament Assessment Outcome

☐ Greyhound is assessed as suitable for rehoming.

OR

☐ Greyhound assessed as currently unsuitable for rehoming. To be retained by the owner or custodian for further behavioural treatment/intervention assisted by GAP, then re-assessed by a GRNSW approved person.

OR

☐ Greyhound assessed as high risk for rehoming in specified environments. Provide details of high risk environments.

OR

☐ Greyhound assessed as unsuitable for rehoming.

The completed Temperament Assessment Report is attached. It includes relevant information from the clinical history and physical examination of this greyhound, a detailed behavioral assessment report, results of other tests and other related information.
